

Early Alert Grades

In order to facilitate the adjustment of students to the rigors of Auburn University coursework, faculty teaching core courses must record in Banner an early alert grade (<https://auburnpub.cfmnetwork.com/B.aspx?BookId=12617&PageId=462137>) for all students enrolled in those classes one week prior to midterm. This process will permit students to seek tutoring or take other action before the drop deadline.
