

Academic Support

Academic Support contributes to retention and degree completion for Auburn University undergraduate students. The office hosts a variety of academic skill development programs that promote self-directed learning strategies and student success.

- **Academic Coaching:** Academic Coaching is a free program that empowers students to achieve their academic goals through improved study strategies and habits. Students collaborate with a trained coach to identify action steps to meet personalized goals.
- **Study Partners Peer Tutoring:** Study Partners provides free peer tutoring for a variety of undergraduate core courses. The program and the tutors encourage students to grow as confident, self-directed learners in their studies.
- **Study Smart:** Study Smart is a non-credit, 10-week curriculum for students on suspension that focuses on the skills required for academic success at Auburn University. The program guides students through an exploration of their responsibilities, motivation, self-awareness, and tools to maintain success.
- **Supplemental Instruction (SI):** Supplemental Instruction (SI) supports historically difficult classes with free, weekly, active-review sessions facilitated by students who previously excelled in the course. SI sessions are interactive opportunities to improve content knowledge, develop skills, and make peer connections.
