## Career Discovery and Success

Auburn University believes in student success. From the Exploration Center to our Career Strategists, as well as our Employer and Alumni engagement team, the services, programs, individual support, and professional networking opportunities provided by Career Discovery and Success, along with our campus partners, are designed to support each student at any phase of their college to career journey. We help transform IDEAS into reality through a network of support that allows students to **I**nvestigate their interests, **D**esign an action plan, **E**xperience career options and mentorship, **A**rticulate their skills, and **S**ucceed academically and professionally. Our holistic approach to serving students, supporting faculty and staff across the campus landscape, and building partnerships with employers and alumni, provides the foundation for comprehensive career development and experiential learning that empowers students to realize and successfully pursue their educational and career goals.

## Exploratory Advising

Becoming educated and finding a fulfilling vocation is hard, but we believe that with the proper support and guidance any college student can learn about themselves and their options, discover the best path to pursue, and find a way to thrive. The Exploration Center in Career Discovery and Success provides personalized academic advising and career counseling to Auburn students at any stage of exploration. Incoming freshmen can declare as an Exploratory major for up to two semesters and will follow a structured exploring process through the exploratory first year seminar, taken for academic credit. Current Auburn students can get help thinking about a change of major, identifying possible career paths, or developing a personalized academic success plan. All students coming to Exploratory gain the support of our academic advisors and career counselors who specialize in helping students explore, discover, and pursue their best options. The Exploration Center is located at 101 Mary Martin Hall and is open from 7:45 a.m. to 4:45 p.m. Additional information may be obtained by calling (334) 844-7277, emailing [explore@auburn.edu](mailto:explore@auburn.edu), or visiting the website at <https://exploratory.auburn.edu/> (<https://nam11.safelinks.protection.outlook.com/?url=https%3A%2F%2Fexploratory.auburn.edu%2F&data=05%7C02%7Cblltn%40auburn.edu%7C30aa5e6979db40acfe7308dc5b203cab%7Cc6b6deedbd294b388979d72780f62d3b%7C0%7C0%7C638485441212126481%7CUnknown%7CTWFpbGZsb3d8eyJWljojMC4wLjAwMDAiLCJQIjoiV2luMzliLCJBTil6Ik1haWwiLCJXVCi6Mn0%3D%7C0%7C%7C%7C&sdata=B%2Ba5NcTvhW0UdMeKZ0t0v2pS2BN0bj%2FzKNsXndgL92A%3D&reserved=0>).
