MISSION STATEMENT
Parking Services’ mission is to enhance transportation to and within Auburn University’s campus for all students, faculty, staff and campus guests by promoting and providing alternate modes of transportation creating a more sustainable campus while maximizing the usage of available parking spaces.

VISION STATEMENT
Parking Services’ vision is to transition a majority of travel to and within Auburn University’s campus from vehicular to alternate modes of transportation in an effort to create a more sustainable campus while providing clear information to enhance understanding of parking rules and regulations with friendly, helpful customer service

VEHICLE(S) REGISTRATION
Students, employees and visitors of Auburn University who park a vehicle on campus must register their vehicle(s) as prescribed in the Auburn University Parking and Traffic Regulations. Any vehicle not properly registered on, or after, the first day of class for Fall Semester will be ticketed.

Vehicle registration is valid for one (1) year beginning the first day of Fall Semester until the day before the first day of the following Fall Semester. The initial registration period for students, faculty/staff, motorcycles, and bicycles begins in July. Students and Employees are encouraged to register online. If you change vehicles, add additional vehicles or the vehicle license plate information changes during the permit year, you must notify the Parking Services Office through either an email (parking@auburn.edu) or by coming to our office with the information. Vehicle registration will be limited. Be sure to check the Parking Services website or watch for an email with the exact dates.

Student Commuter Vehicle Registration (C/PC) will be issued on a first come first served basis depending on your student level classification for the academic year. Commuter vehicle registration will be limited. If the preferred commuter parking spaces are no longer available, you will be able to choose the commuter overflow parking (C). You can also place your name on a waiting list for the preferred commuter parking. Be sure to check the Parking Services website or watch for an email with the exact dates.

Student vehicle registration payments may be made through the student e-Bill process or in person at the Office of Student Financial Services in Mary Martin Hall.

Student On-Campus Resident Vehicle Registration (R) will be issued on a first come first served basis depending on the resident hall assigned. Each resident hall will be assigned a different day for registration. There are a limited number of parking spaces in close proximity of residence halls. If the parking spaces in close proximity of your resident hall are no longer available, you will be able to choose the overflow parking (RO). You can also place your name on a waiting list for proximate parking. Be sure to check the Parking Services website or watch for an email with the exact dates.

Student vehicle registration payments may be made through the student e-Bill process or in person at the Office of Student Financial Services in Mary Martin Hall.

Employees have the option of registering their vehicle(s) online and paying via payroll deduction. Employees who do not wish to participate in the online registration or who do not choose payroll deduction must register their vehicle and pay in person at the Parking Services Office.

A valid picture ID is required for all transactions in the Parking Services Office.

All bicycles operated on campus must be registered annually online through My Campus or at the Parking Services Office.

The following information is needed to register a bicycle at Auburn University:

- Brand
- Color
- Number of speeds
- Serial number (usually located on the bottom bracket of the bicycle frame)

The registration decal will be placed on the frame below the seat so that it can be easily seen. Bicycle registration is valid from the first day of Fall Semester through the day before the start of the next Fall Semester. Excluding the first 15 (15) calendar days of Fall
Transportation Services

semester, any bicycle parked on the Auburn University campus that does not have a valid AU bicycle permit displayed and/or is parked on or in any of the following locations will be removed and placed in the Auburn University impound lot at the owner's expense:

- On an entryway to a building
- On sidewalks while left unattached to a rack
- On handicap ramps
- In any location where they obstruct pedestrian traffic

Bicycles will be held by Parking Services for one calendar year, and if not claimed, turned over to the Department of Property Control for disposal. A $10 charge will be incurred by the claimant in order to retrieve a bicycle that has been impounded.

**Auburn University Medical Permits** are required for all vehicles displaying a permanent or temporary state issued handicap permit. The Auburn University Medical Permit must be picked up in the Parking Office and will only be issued upon presentation of proper documentation.

- **Permanent Disability** - Documentation must be obtained from the AU Office of Accessibility for students; all others will provide proper documentation from the appropriate state
- **Temporary Disability** - Provide proper documentation from the appropriate state
- **Temporary Medical Permit** - Provide proper documentation from the AU Medical Clinic

**PARKING ENFORCEMENT**

All zone parking restrictions, except resident and PC permits, are in effect Monday through Friday from 7 a.m. - 6 p.m., throughout the year as long as the University is officially open or unless denoted otherwise. Resident parking zone restrictions (RW, RH, RT, RD and RQ) are in effect 24 hours every day. PC1, PC2, PC3 and PC4 parking zone restrictions are in effect Monday through Friday from 7 a.m. - 6 p.m., during Fall and Spring semesters. Exceptions will be noted during all Auburn University home football games, other official University events, summer camps that are utilizing resident parking and other special events. Alternate parking will be provided for any zone that will be displaced by any of these events.

A notification of a parking violation will be placed on the vehicle if it is not registered with Auburn University Parking Services. If the vehicle is registered to a faculty, staff or student, an email will be sent the next business day to the person notifying them that they have received a ticket. All parking fines associated with a student of Auburn University or Auburn University-Montgomery will be transferred to their student e-Bill account after 10 days unless the ticket has been paid in the Parking Services Office, the student notifies Parking Services to move the ticket to their e-bill account or the ticket has been appealed. Failure to pay the ticket may result in the student being unable to register for classes, graduate, or obtain transcripts. If the student withdraws from school, any outstanding parking ticket fines will be collected from any refunds of any nature due to the student. Late charges may be charged by the Bursar's Office on late payment of tickets. All parking fines associated with a faculty or staff will be sent to Payroll for payroll deduction after 10 days unless the ticket has been paid in the Parking Services Office the Parking Services Office has been notified to transfer the ticket for payroll deduction or the ticket has been appealed.

**APPEALING OF A TICKET**

All appeals must be initiated within ten (10) days from the date that the ticket was issued.

The ticket can be appealed through the My Campus component of AU Access. The appeal must include remarks as to why the ticket is being appealed. The Parking Services Office will assign the appeal a hearing date and notify the appellant of the date of the hearing. There are three (3) Appeals Boards. They meet on Tuesday, Wednesday and Thursday monthly during the Fall and Spring semesters. The appellant has the right to appear before the Traffic Appeals Board and plead his or her case. The Board's decision will be emailed to the appellant, and the decision is final; however, the appellant retains the right to a second appeal. The second appeal must be submitted to the Parking Services Office in person within five (5) working days from the date that the appeal decision was emailed to the appellant.

The Board may make one of the following three decisions:

- Approval
- Denial
Adjustment

A decision of denial or adjustment does not remove the ticket from the determination if a vehicle will be towed or wheel locked. A person may only appeal three (3) tickets during the Academic Year (the first day of Fall Semester through the day before the start of the next Fall Semester).

WHEEL-LOCKED/TOWED VEHICLE

Any motorized vehicle not registered with the Auburn University Parking Services Office is subject to being wheel-locked or towed upon receipt of a second ticket without being registered. Any motorized vehicle that is registered with the Auburn University Parking Services Office is subject to being wheel-locked or towed upon receipt of a fifth ticket against the individual whom the vehicle is registered. The date for the count of these tickets is from the first day of classes for Fall semester through the day before the first day of classes for the following Fall semester. Any ticket that has been excused or has been appealed and approved by the Auburn University Appeals Board will not count in this total. All others including paid ticket(s), excused ticket(s), warning ticket(s) and ticket(s) adjusted to $0 by the Auburn University Appeals Board will be counted.
