Student Counseling Services
The mission of Student Counseling Services is to provide comprehensive preventative and clinical mental health services to enhance the psychological well-being of individual students, as well as the broader campus culture. Student Counseling Services provide brief individual therapy and unlimited group counseling to address the emotional, developmental and mental health-related concerns of students. Educational and academic-related programs, skill-building workshops and outreach presentations are offered to the campus community. Services are professional, confidential and free. Students needing long-term psychotherapy or 24-hour crisis management are provided an appropriate referral.
