

Chemistry — MS

MS plan of study will consist of a minimum of 30 hours.

Code	Title	Hours
Chemistry (MS)		
CHEM 7750	Formal Presentations in Modern Chemistry	1
4 credits in CHEM 7950 (Seminar)		4
CHEM 7990	Research and Thesis	4
21 Credits in @ 6000-8999		21
Total Hours		30

By the end of the second semester, MS students must submit a plan of study which details the courses which will be taken. This is done with the assistance of the major professor and with consent of the student's advisory committee. The courses usually are taken in the major area. Directed Study, CHEM 7930, may be taken for a maximum of 15 hours. Students must orally present their research and defend their theses in the final oral examination.
