

Industrial and Organizational Psychology — ABM

Accelerated Bachelor's/Master's Curriculum for Industrial and Organizational Psychology

The Accelerated Bachelor's/Master's Program (ABM) offers outstanding students in the Department of Psychological Sciences an opportunity to earn both the bachelor's and the master's degrees in less time and at less cost than usual. The ABM program allows these exceptional psychology students to count up to nine hours toward both the bachelor's and master's degrees. The Bachelor of Arts in Psychology undergraduate major can lead to a Master of Science in Industrial and Organizational Psychology in the ABM track. Please see the Department of Psychological Sciences website for additional information.

Below is a chart of all the approved courses that can be taken in the ABM program and what course that replaces at the undergraduate level.

Code	Title	Hours
PSYC 7700	Foundations in Industrial and Organizational Psychology (Replaces PSYC Elective)	3
PSYC 7720	Personnel Selection (Replaces General Elective)	3
PSYC 7730	Research Methods in Industrial/Organizational Psychology (Replaces General Elective)	3

Junior and Senior Year for Students in ABM Program - Psychology

Courses marked with an asterisk are those that can be substituted by graduate level courses by students enrolled in the ABM program to meet nine undergraduate hours during their junior and senior year and nine graduate hours to be used toward their graduate degree.
