Curriculum and Teaching

The Department of Curriculum and Teaching prepares teachers in content-specific research-based pedagogy. Departmental faculty and school professionals partner to provide rich clinical experiences in diverse settings. All educator preparation programs are approved by the Alabama State Board of Education. Auburn University’s College of Education is accredited through the National Council for Accreditation of Teacher Education (NCATE). Music education programs are also accredited by the National Association of Schools of Music (NASM).

Elementary education is a high demand major. Due to limited enrollment, all students who meet minimum criteria may not be admitted. See Major with Restricted Enrollment (http://bulletin.auburn.edu/undergraduate/collegeofeducation) for additional information.

In addition to undergraduate teacher education majors, the department offers undergraduate minors in community music and office systems management.

A list of course offerings (https://ssbprod.auburn.edu/pls/PROD/bwckschd.p_disp_dyn_sched) is available on the Auburn University website.
