

Exploratory - EXPL

Courses

EXPL 1010 EXPLORATORY MAJOR INVESTIGATIONS I (2) LEC. 2. For students in the Exploratory Major. This course introduces students to the majors offered at Auburn, and through a program of readings, research, professional outreach, analysis, and reflection helps them decide on a degree-granting major.

EXPL 1020 EXPLORATORY MAJOR INVESTIGATIONS II (1) LEC. 1. For students in their second and final semester as an Exploratory Major. This course continues and deepens the exploration through readings, research, professional outreach, analysis, and reflection to help students select a degree-granting major.
