Convenient, Flexible, Fresh Made, Budget-Friendly, Healthy & Sustainable

It's all about you. We've kept what's most important to you in mind by building in the convenience, flexibility, quality, value, and healthy options you deserve. We offer a variety of meal plans to meet your needs.

You're automatically enrolled in your default meal plan each semester, and you have until the 10th class day to change your meal plan via the GET mobile app.

Meal Plans

All students enrolled in at least one class on Auburn's main campus are assigned the default meal plan for their student type each semester. All meal plans contain dining dollars which may be used at any on-campus dining location, including athletics concessions, food trucks and the Hey Day Market. Many dining plans also have weekly or block meal swipes for convenience and value.

Weekly Meal Swipes

Weekly meals provide a reduced-price* entry into our two dining halls, the Village Tiger Zone and The Edge at Central Dining. These plans include either 5 or 10 meals per week. Our buffet-style dining halls always offer a variety of foods allowing you to create a plate according to what you're craving. Early each Sunday morning, your 5 or 10 meals are loaded to your account to use as you wish at our dining halls. Make sure to use them all—unused meals expire after the dining halls close Saturday night. For your convenience, menus for each day and meal period are available online.

*Reduced price as compared to retail entry price.

Block Meal Swipes

With various healthy options and a lower cost per meal*, a block meal grants you entry to our two dining halls, Village Tiger Zone and The Edge at Central Dining. These buffet-style dining locations always offer a variety of foods, allowing you to create a plate according to what you're craving. Plans that include block meals come with either 25, 50, or 75 block meals, each including \$425 dining dollars. Block meals may be used as you wish, but unused block meals expire at the end of each semester.

*Lower cost as compared to retail entry price.

Dining Dollars

Dining Dollars work like a debit card. They're accessible via your Tiger Card or GET mobile app and are accepted at all campus dining locations, including food trucks, athletics concessions, and the Hey Day Market. Running low? No problem! You may load additional funds to an Optional Dining account anytime during the semester. Unused dining dollars roll from the fall to spring semester and expire at the end of the summer term. Optional Dining funds never expire.
