

# Automotive Manufacturing Systems — Graduate Certificate

---

---

This graduate certificate is for students looking to acquire more knowledge in manufacturing. Students completing this certificate will explore the design, analysis, and operation of manufacturing systems as a combination of humans, machinery, equipment, tooling, controls, building, and transportation that are bound by a common material and information flow through application-based courses in state-of-the-art labs and classroom environments.

Code	Title	Hours
<b>Automotive Manufacturing Systems (Graduate Certificate)</b>		
Select 12 hours from the following:		
INSY 6330	Six Sigma	3
INSY 6800	Lean Systems	3
INSY 6830	Vehicle Technology and Trends	3
INSY 6840	Control of the Manufacturing Floor and Processes	3
INSY 6860	Innovations in Manufacturing Systems	3
