

Supply Chain Management Minor

Requirements

The minor is 15-17 semester hours (3000-level or above), depending on whether you are a business major.

You must meet all prerequisites for the required courses and chosen electives. Prerequisites will not be waived. Visit the AU Bulletin to see course descriptions and their respective prerequisites (abbreviated as "Pr").

Courses completed to satisfy the school/college core curriculum or a major requirement (e.g. counting toward the GPA "in the major") may not be used to fulfill a minor. Supporting coursework may be used in satisfying the requirements for a minor if a minor is not required by the student's academic major.

Code	Title	Hours
Required courses (9 - 11 hours):		
SCMN 2150	Principles of Supply Chain Management **	2
SCMN 3710	Logs: Mngt of Fulfillment Proc	3
SCMN 3720	Transportation and Order Fulfillment	3
SCMN 3730	Strategic Sourcing	3
Elective courses (6 hours):		
Choose two 3-hour electives from the list of approved elective courses provided on the Harbert College of Business website.		6
Total Hours		17

**Business majors who pursue this minor will exclude the SCMN 2150 requirement resulting in a 15-hour minor. SCMN 2150 was formerly 3150.
