Long range schedules for COSAM courses are online at <http://aub.ie/cosamlrs>

Courses in BOLD will be used to calculate GPA in major.

Options for courses labeled CORE are in the Auburn University Bulletin (www.auburn.edu/bulletin) under Core Curriculum.

Students must complete all requirements for that major prior to graduation.

Students planning a Physics major should consult with the pre-health advisor.

¹ The Chemistry CHEM 1110/CHEM 1111-CHEM 1120/CHEM 1121 sequence can substitute for

CHEM 1030/CHEM 1031-CHEM 1040/CHEM 1041. See advisor for details.

² Students who have AP or transfer credit for US History should see an advisor for CORE SOC SCI choices.

³ Students planning a major in Biomedical Sciences should take CHEM 2080/81 as their professional elective in their sophomore or junior year.
